October 30-----Armijo Game (at Armijo)  
(Games A & B)  
F. F. A. Harvest Dance  
November 6-----Rio Vista Game (here)  
(Games A & B)  
Student Body Dance

As you see, today is the "big day". Yes, it is the Vaca-Armijo game at Fairfield.

Greta Neil, our yell-leader, has some new and very good yells. Greta certainly shows that she has spent much time practicing these yells, so let's help her out. She's one of the best yell-leaders Vaca Hi has had in a long time, but where's the school support she should be getting? This is a big game so let's go down to Fairfield this afternoon and show Armijo what we can do. Two games will be played. They will start at 3:00 o'clock p.m.

### New Yells

Fadada, fadada, ditton  
Datlen, botlen, botlen,  
Ra da da da boom!  
Sssssssssssssss boom!  
Vacaville, boom!!!

Go back, go back, go back to the woods,  
You haven't, you haven't, you haven't the goods,  
You haven't got the rythm and you haven't got the jazz  
You haven't got the team that Vacaville has,

I heard a steamboat whistle,  
I heard a steamboat bell,  
I heard a steamboat boiler burst,  
And blow them all to-----  
Rickety rickety rus,  
We're not allowed to cuss,  
But nevertheless  
We must confess  
There's nobody better than us.

Is everybody happy?  
Well yes.  
Is anybody down-hearted?  
Well no,  
Then take that locomotive,  
And take it slow.  
V. U. H. S.  
Boom chuck chuck chuck  
(little faster) Boom chuck chuck chuck  
(very fast) Boom chuck chuck chuck  
Vacaville-----BOOM!!!

## F. F. A. DANCE

Tonight from 8-12 the Future Farmers are giving their annual harvest dance. This is one of the biggest events of the year and is looked forward to by many.

The theme will be Hallowe'en and soda pop will be for sale. All alumni are invited. Admission will be: Student Body Cards--Free, Couple and single. Without cards: Couples 50¢ and stags 35¢.

The boys have spent much time in preparation for this big event under the able supervision of Mr. Mundy. Let's all try to come and make this dance a real success. Don't forget, 8:00 in the High School Gym.

## RIO VISTA GAME

Two games will be played here next Friday. Rio Vista's varsity versus our varsity and their B's against our B's. This is one of our biggest games so don't forget to come.

## STUDENT BODY DANCE

The first Student Body Dance for this year will be held next Friday night from 8-11. Student Body card holders will be admitted free. Couples 30¢ and stags 15¢. The only rule for the dances this year is that you can't be readmitted to a dance once you leave.

At the Benicia-Vacaville game several members of the team helped themselves to a few bottles of soda pop, the returns of which should have gone to the Benefit Fund. The boys have made no attempt whatsoever to pay for it.

Thanks !

The Freshmen want to thank the Sophomores for the fine reception held on October 16th.

The Freshmen Class Officers

Don't forget to support the team. Come to the football games!

Remember that the class with the largest percentage of Student Body members will have first choice of any concession they wish. Buy your card now!

"Disadvantage"

In the days of lace and ruffles

Girls like you and me

By saying rhymes to buttons

Could find their destiny.

She started with the rich man;

The poor man quickly passed

To find to her delight, we hope,

That she would wed the last.

Now we are very modern

And streamlined all the way,

But we can't find our futures

In the zippers of today.

---Zephyr Breeze

"Poem to the Old Maids of Vaca Hi"

When pitied for my lonely state,

I contemplate my lot.

It's nice to think of all the guys,

Whose girl I'm glad I'm not.

## EDITORIAL

It is about time that the school woke up. I am referring to the waste of food and damage to several person's clothing at the Freshman Reception.

The Freshman Reception is traditionally a party for the freshmen given by the sophomores to get the freshmen acquainted, and not for hazing or ice cream throwing! Miss Piner, the sponsor, had the honor of mopping up the floor.

I believe we are all agreed that action of this sort is absolutely inexcusable. Such conduct makes questionable the reputation, good sense, manners, and patriotism of a class. Miss Piner would have our hearty support if she resigned as advisor of such a group.

Had the freshmen participated, the disturbance would have been partially excusable. The sophomores have had one whole year in which to learn the rules of proper conduct at dances. Let's not have demonstrations like this in the future. Let's grow up!

### "Shop Notes"

The fifteen girls in Mr. Boblet's sixth period shop class are making end tables, stools, wall shelves, and, believe it or not, they are turning out lamp stands on the wood lathe.

The boys are remodeling the shop. They are putting in new doors, buying new tools, and repairing the tool room.

The shop boys are working on cedar chests and fancy fruit bowls made of black walnut.

The boys and Mr. Boblet have made an office for Mr. Boblet. The office has a writing desk, a book shelf, and windows all around, letting in much light. On the outside of the office, there is a table where the boys and girls draft their plans for projects.

Mr. Boblet is so very pleased with his new office that he spends most of his time in it. He looks like a big-time executive when he leans back in his chair and puts his feet on the desk.

### Junior Red Cross Holds First Meeting

The Junior Red Cross hold its first meeting of the school year last week. New plans for the school year were made and new officers were elected. It was announced that Mrs. Frank H. Buck would assist as sponsor of the Junior group.

One of the highlights of the meeting was the display of native Samoan shell and bean necklaces, colorful yarn fringes, and a beautifully designed and carved battle axe. These were sent to America by Junior Red Cross members in Samoa.

Five dollars is to be sent to the children's fund of the National Red Cross which is used to feed starving children in foreign countries.

Officers were elected as follows:

President	Kay Goepfort
Vice President	Frank Pritchett
Secretary	Bill Solenberger
Treasurer	Greta Neil

### "Block V Boys Love Dessert"

The Block V boys had a pot-luck dinner Wednesday night to honor their officers. Mr. Boblet, Mr. Mundy, and Mr. Mitchell were special guests. The boys are a little doubtful of the wisdom of trusting absolutely to pot luck. The contributions consisted of ten gallons of ice cream, seven cakes, and apple, lemon, and chocolate pies.

Consequently the meal progressed something like this:

First Course

Chocolate cake

Second Course

Apple, lemon, and chocolate pie

Third Course

Ice Cream

Hubbard, James Rogers, and Coach Mitchell were rivals for the prize as champion ice cream eaters. Bets for cakes and pies were called thick and fast. James Rogers ate a quarter of a cake and Bob Damiano ate half a lemon pie. After the tables were cleared up, everyone went his own way (many going the same way).

### F. F. A. Are Active Again

Last week the F. F. A. boys fixed a float for the scrap parade. They had an old Model T frame on Mr. Mundy's trailer.

On Tuesday night, October 9, the boys had their first big dinner and meeting. The dinner was pot luck and was held in the shop. Mr. Boblet and Mr. Record were guests. After dinner, the boys put on an amateur hour for the guests.

## "Vaca Bulldogs Lose to Esparto 19-6"

By Don Wilburn '44

Last Friday afternoon at the Vaca-Esparto game, the Bulldogs came out on the bad end of the score, dropping the game to the Esparto Beavers to the tune of 19-6.

The Esparto club came out with a better team than many had expected, showing up with good passing and running offense.

### Vaca Wins Flip

The two captains flipped a coin and Vacaville won, choosing to receive. At the kick-off the Bulldogs received the ball. They tried for yardage, but after the fourth down they had to turn the ball over to the Beavers.

The Beavers made line plunges mainly in the center, making continuous first downs and much yardage through pass plays. They finally plunged over the center for the first score of the game which was shortly after the kick-off. They then tried for a conversion through a line plunge and made it good.

### Bulldogs Score

When the Bulldogs received the kick-off from the Beavers, they started down the field, trying several types of plays, finally deciding that passes worked the best. They maneuvered themselves into scoring position, and then Nick Lorenzo throw a long and high pass to Nick Papin over the goal line for the one and only score for the Bulldogs.

The Beavers made another touchdown, but failed to convert, and the half ended with the score 13-6 in Esparto's favor.

### Last Half Becomes Rough-and-Tumble

The second half was a rough and tumble game, with both teams pushing each other about the field. Neither team came close to scoring position until the last quarter when the Beavers intercepted a Vaca pass and ran down

down within ten yards of the goal line. They finally pushed the ball over but failed to convert. The rest of the last quarter was spent in marking time until the final whistle blew, giving Esparto a win for it's first game of the season.

### "Creed"

I think that I shall never see

A girl refuse a meal that's free

A girl whose hungry eyes aren't fixed

Upon a drink that's being mixed.

A girl who doesn't like to wear

A lot of junk to match her hair.

Girls like these are loved by me

For who would want to kiss a tree.

## "We Want to Know"

Where did the boys go after the Block V feed?

What happened to N. T's. Marine Thursday?

Why did all the parents think that the Y. L. I. Dance lasted 'till two?

What were A. M. and C. S. (Armijo) hiding Thursday at the creamery?

Whose records was C. M. after at the Legion Hall after the Freshman Reception?

What's happened between the freshman lovebirds, B. L. and C. B.?

Why are the Vaca boys angry with the purely patriotic H. H. Hostesses?

How did C. B. get out of the freshman reception so easily?

Who keeps G. N. from learning her yells?

Why do we all forget O. P. duty?

Why doesn't someone buy B. P. a tricycle?

How does that alumnus find out what M. P. does throughout the week?

Why isn't H. H. a better bowler?

Have you eaten your "Bumbo" today?

## "New Version of the Strip Polka"

This song is dedicated to Bobby Harper who recently moved to Dixon.

There's a nice big gymnasium where the gang likes to go

To see Harper, the cutie of the burlesque show.

But the toast of the day is when out Harper skips

And the boys sing the polka while he strips.

"Take it off, take it off!" cried the boys in the rear.

"Take it off, take it off!" soon it's all you can hear.

But Harper is modest even in a pantomime,

So he stopped-----but wasn't quite in time!

## "Fashions"

By Carmel

### Girls' Fashion Notes

Color is the keynote for this fall's fashions. More than ever before, it is important for girls to wear bright colors in contrast with Army and Navy uniforms. . . . DOROTHY FERNANDEZ and ANGIE PEREZ look alike as two peas in a pod when they both wear their bright red sweaters and light blue

skirts. . . . EMILY McCADDEN looked bright and gay when she went to the Cal- U. C. L. A. game. She wore a red skirtwaist dress with a kelly green belt. Over the dress she wore a brown box coat with brown and green accessories. . . . ISABEL TORTOSA looks even smaller

in her blue and yellow plaid skirt. ISABEL wears a yellow short-sleeved sweater with this. . . . BEVERLY DUREN'S red corduroy suit is made with the new short-waisted jacket. . . . The glass buttons on GRETA

NEIL'S blue corduroy suit are kept on by strips of corduroy pulled through the buttons. . . . NANCY CHANDLER feels as warm as a bear in her brown teddy-bear coat. NANCY'S coat is trimmed with beige . . . . MARY LOU JEPSON looks as slim as a willow in her kelly green corduroy sport dress. . . . KAY GOEPFERT wore a suit with a beige background and lavender, yellow and brown lines running through the material. KAY wears a lavender sweater with her suit. . . . ANNE MOWERS can be seen strutting between classes in her new red hip-length jacket. Be sure to ask ANNE if you can see the lining of her coat, because it has a satin quilted lining. . . . VIRGINIA PENA, ARLENE FRANKLIN, and GRETA NEIL each have a pair of balet shoes that lace around the ankles. GRETA'S and VIRGINIA'S are brown and ARLENE'S are red. . . . CLARE MOWERS'S yellow wool-jersey blouse

proved to be very embarrassing. CLARE'S blouse buttons up the back and we can hardly blame anyone for being tempted. . . . CARMEL LIBONATI is proud as a peacock of her siren red box coat. . . . Charm bracelets of every sort are very popular this year. ROSE MARIE CODINA, NANCY CHANDLER, HELEN SWEENEY, MARAGARET PRITCHETT, and CARMEL LIBONATI each have one. . . . ANNE MOWERS is following another style. She is wearing a set of about seven silver Indian bracelets on one arm.

#### Boys' Fashion Notes

Dressing alike doesn't just apply to girls. JAMES ROGERS and JOHN SHERMAN seem to be pulling a brother act. They both have black and white striped shirts. . . . BILL SOLEMBERGER has a bright red and white striped tee shirt. . . . NELSON PIPER and JOE CAMPUS go in for loud socks in a big way. JOE has loud striped ones and NELSON'S are an English plaid. . . . And, last but not least are those ever popular levis. Nearly every boy in school owns a pair.

#### Girls' Hair Styles

The current fad seems to be self-cut hair. HAROLDINE cut her hair this summer and then talked NANCY into doing likewise. . . . BETTY P. walked into class one day with straight bangs, and they really were cute. . . . CLARE MOWERS also got brave enough to cut her hair and consequently took a trip to the barber's to have it trimmed. . . . LOUISE HILDEN and EMILY cut their pompadours off. LOUISE is satisfied but EMILY is praying for hers to grow out. . . . Incidentally, if any of you girls would like to be "definitely new," CLARE and BETTY tell us they will be only too glad to style you an "original personality coiffure." If you'll just notice theirs, we think you'll be convinced that we haven't estimated their abilities too highly.

"A Vacaville Date"

You call for us in your Model A

Honking your horn in a ghastly way:

You dash up the sidewalk, knock down the door

Trip on the furniture, sprawl on the floor;

You calmly ask if we've got a date.

What the heck, if you are late.

And if we ~~condescend~~ to go,

You complain 'cause we're so slow.

Then off we go, to a show, perhaps.

You talk to us between naps.

Then out to Webb's for a bite to eat.

A date with you is sure a treat!

That quick trip home will haunt our dreams.

You were in a hurry, so it seems.

Of those that have driven ninety-five,

I'm one of the girls that's still alive.

Now that I've come to the end of my story,

I'll leave you guys in your so-called glory.

--One Who Has Been Dated

"Freshman Reception '42"

The brawl should have been the reception,

And the reception should have been the brawl,

The ice cream flew so thick and fast

That the sophs made the freshmen bawl.

--A sophomore

## "To the Freshmen"

If you're in the groove, you're a slick chick, but if you're not too sharp, you'll rate the no-bell prize. If you happen to be one of those girls whose on the beam and off the bean, you're probably a zombie. And, you gals with a drape shape or classy chassy, don't worry, you're in, but solid! If your man's not in the service, he's A. W. O. L. (a wolf on the loose), and if he is, you're on convoy duty. If the lads show you any hustle, you're a white shoe, and if you know what the score is, you're strictly station wagon and should hit it off 12-cylinder. If you're thirsty like Jacoba Lopez, you'll probably be consuming a chlorine cocktail every five minutes, or, if apple pie a-la-mode hits the spot with you, you'll perch yourself on a stool and ask for Eve with a lid on. If you're lucky and snag one of those simply priceless B. T. O's. (big time operators), and manage to steer him clear of the cuddlecats on the loose, then gal, you've made a 3-point landing! If you're small like Dale Cannon, you're half a glassful. If you're in the habit of giving out with that vinegar treatment, that makes you a likely subject for the B. O. or C. S. (brush off or cold shoulder). And, if you make with the corn too much, you're sure to have one of us Mewers's asking you to "harvest it, please." If you're hep to the jive, you'll be tagged a solid jackson by the definitely solid Sophomore Boogie Boys (T. W., B. S., J. C., W. E., F. P.). And, if you're a black shoe, square, ugh girl, drip, goen, or creep, you'll most likely go home, slap the Simmons between the percales, and knock off for vapor before the worms start squirming at the rat races.

To get the girls they try their might.

And yet they hardly ever succeed;

## "The Grapevine"

Orchids to the freshmen----onions to the sophomores, if the rumors going around are true. The sophomores surely need a lesson in etiquette if they're going to be on speaking terms with Emily Post. They think the latest way to serve refreshments to the freshmen is to ask them if they would like some ice cream, and if so, throw it in their faces. If these rumors are false, the sophomores had better rustle around to disprove such wild hearsay. . . . . We wonder why a certain junior lass spends most of her spare time with the football team. Could VIC L. have anything to do with it, or are you two kids just pulling a brother-sister act? We don't think so. . . . . What could have happened between K. G. and B. P.? We understand that he took NORINE home from the Fresh reception and dated her that following Monday. Maybe B. P. is undecided as he lunches with K. G. every day. What happened to your eye, BOB? Hmmmm, could be! . . . . . We couldn't help noticing what a chummy time ALICE and PAUL were having one noon hour. Is this a budding romance? From what we hear, PAUL must believe in that old saying, "There's safety in Numbers," for he took out five Vaca High girls last week. He also took F. B. '45 to the Esparto game. What will happen when the supply runs out? . . . . . Though many students doubted his ability, J. R. has been doing O.K. with his so called "double romance" with the two local blondes, J. W. '42 and B. S. '45. It seems apparent that JAMES heart really belongs to J. W. . . . . D. F. '45 had better watch out because it is rumored that a junior girl has quite a crush on F. P. . . . . What is this "I. S. O." club that C. M. and J. C. belong to? Sounds interesting! . . . . . What has happened to the romances between ANGIE and VIC, FRANCES B. and JOHN C. and CHARLES M. and PHYLIS R? . . . . . We seem to have quite a few girls wearing engagement rings this semester. The girls wearing rings are, ADELE FADLEY, HAROLDINE HAWK, BETTY STEIN, and ROSE MARIE CODINA. It seems to

be catching. I wonder who will be next? . . . . Why did the girl in the pink paper dress at the Fresh-Soph brawl leave before the final judging? Could it be because the North wind bles? . . . . What's this we've been hearing about BILL SOLENBERGER and a certain DOROTHY EDEN from Arnijo? Come on BILL, confess. . . . . Tuesday night after the Horribles Parade, JOYCE, NORINE, MARGARET P., KAY, BOB P. and ART went bicycle riding and had a wioner roast in Lovers' Lane. Tut, tut, what is this younger generation coming to? . . . . Why doesn't someone tell RITA that EUGENIA C. isn't JOHNNIE E's. sister? . . . . Why were a group of freshman girls so anxious for the upperclassmen to come to the reception? . . . . The McCADDEN-CUDABACK romance is still going strong. What'll happen when we have gas rationing? . . . . CARMEN GARCIA went to Fairfield with FRANK GARRIDO, who, incidentally is her cousin. How's that for being faithful to BILL? Keep up the good work, CARMEN! . . . . By the way, I just heard the freshmen received a lecture on how to conduct themselves at a dance. Will someone please set me straight on that Fresh-Soph reception deal? . . . . The freshman boys certainly must miss their young friends. They are marching increasingly over to the office about 1:15 p.m. just back from a short visit to the dear old grammar school. How they long for the good old days! . . . . Now really girls, don't you think RITA could at least pick one lucky male from the collection she has and leave ours alone? . . . . Does anyone know if LOUISE H. and JIM LUNN have set a definite date or not? We'd really like to know. . . . . At the freshman reception, many students noticed a great attraction between ISABEL TORTOSA and EDWIN DOMER. How about that, ISABEL and EDWIN? . . . . What's this I've been hearing about NORINE and a certain Marine? It must have been nice working on Mare Island this summer, NORINE! . . . . Two mysterious men have been begging for the favor to take RITA to the Harvest Dance. Come tonight and view the winner. . . . . VERNON BAGLEY has been showing quite a bit of interest in a local blonde named PAT. (Who wouldn't?) . . . . We'd like to

know how B. ROGERS rated attendance at the "Block V" dinner? How these frosh do get around! . . . . It's rumored that J. C. has quite a case on a certain little Armijo gal. What about that, JOE? . . . . DORIS D. has been seen quite frequently lately with a certain sailer. Not bad! . . . . We wonder why TRENT is consistently late to class? Could ELLA JEAN or ESTELLE be the reason? . . . . Hows is getting scarcer, and our pencils duller, so enough mud' slinging 'til next time.
